

BEFORE / AFTER SCHOOL PROGRAMS:

The Montessori Peaks Academy Before and After School program is available to parents of MPA students ages 3 through twelve. The mission of the program is to provide a safe and nurturing atmosphere for children during out-of-school hours. Parents may choose the days they need care for their children by completing and submitting a calendar at the end of each month for the subsequent month. Billing is monthly and corresponds to the calendar submitted by parents. The school also offers some full day camps on designated vacations and inservice days. Notification for these camps comes in the Friday Folders and through the school newsletter.
