

Dear Parents/Guardians,

I have only just finished an academic year, and another one is just around the corner. I am Lisa Plowright and I will be your child's teacher for the 2009-2010 school year. I am honored and humbled that you have chosen Montessori Peaks for your child's education.

I would like to take the opportunity to introduce myself to you; I have been teaching for 19 years. I started teaching in a primary Montessori classroom in Chicago, in 1989. Then, in 1995 my family and I moved to Colorado, where I opened an in-home Montessori Pre-School and Daycare. I received my Colorado State teaching license in 1999 from Colorado Christian University. I also received my Masters in Curriculum Instruction from Colorado Christian University, in 2006. I have worked in both private and public schools in Colorado, and have enjoyed it all. The 2009-2010 school year will be my sixth year at Montessori Peaks Academy. I have enjoyed my time at MPA, and I look forward to many more years at MPA.

I look forward to meeting all of you and the fun we will have this upcoming year.
