

Dear Parents and Loved Ones,

Welcome to our classroom. We are going to have a fantastic year! Our goal is to make your child feel comfortable and safe so that they will have a wonderful environment in which to learn and grow. My assistant Marge and I are in our fifth year here at Montessori Peaks Academy. We both have been teaching for over ten years and are very excited about the coming school year. Marge has a BS from Regis University and has two sons who attended Montessori Schools. They are now in Middle School and High School.

I am Pam Moody and I have taught for the City of Lakewood and also was Substitute Teacher for a year for Jefferson County. I was then hired by Free Horizon Montessori School in Golden and took the Montessori training at the Montessori Education Center of the Rockies in Boulder. I worked at Free Horizon for two years and at the Southwest Montessori Preschool for one year where I taught the music program as well as the regular Montessori curriculum. I have a BA in Music and I love to sing, so we will be doing lots of music in our classroom. I am married and have three daughters, one who is married and working as an assistant in Miss Shari's room. The other two will be getting married within the next year. Both are attending college as well so I'll be having quite a busy year.

I am looking forward to meeting the new children and parents this year and if you have any questions at all, please call my Voicemail at 303-972-2627, ext. 212. I will get back to you as soon as possible.

Thanks and we can't wait to meet you all and start our fantastic year together!
