

Dear Parents

Welcome to Montessori Peaks Academy and to Ms. Shari's Classroom. I want to welcome all new students and old students to the 2009/2010 school year. I am excited for the opportunity and pleasure of being your child's teacher in these early, formative years of their learning adventure. I am looking forward to getting to know all the new students and I am happy to welcome back returning ones. I hope everyone is having a wonderful and relaxing summer. Registration will be coming up soon.

The first week you will receive an informational back to school newsletter about all the classroom policies and procedures. I cannot wait to see everyone in August for the beginning of the school year. School will be here before we know it.

Warmest Regards,

Shari Buehrer
