The Addition Edition—Moving In Time!

New Addition Update

We expect to receive our Certificate of Occupancy for the new addition this coming week and begin moving to the new spaces starting on Friday, October 5th. We are asking for some parent help to carry boxes, furniture, and other materials from the temporary spaces to the new spaces in the addition. The following is a calendar of when parents can come and help us with this exciting project:

- Judi Miller, who is desperate to move into her beautiful new gym, will need help on Friday, October 5th from 8:30 until finished.
- The art room will also move Friday, October 5th from 9 A.M. to 4 P.M. Andrea Rollins will have some classes during the move, and will have a map so that volunteers know where to put furniture and materials.
- Music will move as well on Friday, October 5th. Mary Stringer will be available from 10:10 until 11:10 and noon until 12:40. The remainder will be done Saturday, October 6th starting at 11:30 until she is finished. Mary needs boxes for moving, so bring them to the office or directly to Mary in the music temp.
- Home School/Creative Enrichment will move on Friday, October 19th from 8-1 and Saturday, October 20th from 10-12 if necessary. Please call Patty Dwyer's cell phone (303-517-5355) to check if help is needed on Saturday.
- The Library will be moving October 18th through the 21st. Heather Walters can use help carrying and putting together furniture, as well as shelving books and materials.

Please let Char or Veronica know if you can come and help with any of the moving days. No child care will be offered on weekends or for siblings during school. We will give double volunteer hours for all who help, so think about it and come join the fun!

Did you see the forest for the trees?

The Volunteer Forest, located in the stairwell near the entrance, has sprouted more leaves, thanks to artist and parent, Terry Coffman. Terry painted many aspen leaves on the trees and nailed up the metal leaves with the names of the volunteer families for 2005. Many thanks to Terry for spending her time and making the Volunteer Forest even more beautiful.

Reserving Spaces for After School Activities

Any group needing a space for an activity after school must contact the Primary Coordinator, Dianne Lester. Dianne will schedule a space for you to meet your needs and will help you complete the necessary paperwork so that you can use the space. This process must be complete before any group can use space in the school. The paperwork also outlines the agreements for use of the rooms and responsibilities of groups using the spaces. Please call Dianne at extension 213 or see Veronica for paperwork.

Morning Care parents: The building opens at 7:00. Please do not come into the building before that time.
