

Welcome Letter

August 22, 2010

Dear Parents and Loved Ones,

Welcome to our classroom. We are going to have a wonderful year! My assistant Marge and I are in our sixth year here at MPA. Marge has worked in Montessori classrooms for over ten years. She has a BS from Regis University. She also has two sons that attended Montessori schools and are now in Middle School and High School.

I am Pam Moody. I have been teaching children for the last eleven years. I taught for the City of Lakewood for three years and then became a substitute teacher for Jefferson County for a year. I was then hired by Free Horizon Montessori School in Golden and took the Montessori training at the Montessori Education Center of the Rockies in Boulder. I worked at Free Horizon for two years and at the Southwest Montessori Preschool in Lakewood for one year where I also taught the Music Program as well as the regular Montessori curriculum. I have a BA in Music and I love to sing, so we will be doing lots of music in our classroom. I am married and have three wonderful daughters of whom I am very proud. I am looking forward to having a fantastic year with your children.

My goal is to make this a very comfortable and pleasant environment for your children to learn and grow.

While the children are in class I will need to devote my full attention to them, so if you have any questions or concerns, please leave me a message on my voicemail and I will get back to you as soon as possible. I also have a Parent Communication Notebook underneath the sign-in sheet which I will check every morning for written messages.

Thanks and we look forward to having a fun and educational year!
