

Special Needs Supply List

Please send the following supplies for the Special Needs classroom. Supplies will be shared by all students in Special Needs.

Ticonderoga #2 Pencils

3x5 colored index cards

Tissues 2-3 boxes

Highlighters (variety of colors)

Small Dry Erase markers

Large Dry erase markers

White board erasers

Disinfecting wipes (1-2)

Pop-up post-its

1” Binders (If your child is in a reading group)

If the following age groups could also provide the following items, it would be greatly appreciated:

Lower Elementary: Correction tape white out

Upper Elementary: AA batteries

In addition, any small toys that your child is no longer interested in would be appreciated for use in our toy box.

Snacks are an important part of the Special Needs program, since they highly motivating and give the children energy that they need to learn effectively.

Healthy snacks: goldfish, pretzels, popcorn etc. (Please check the ingredients for traces of any nuts or nut oils, as we have a number of students who are allergic).

Cash contributions towards replenishing snacks through out the year would also be helpful.

Thank you,
Special Needs Team
